BEST FOR INTERNATIONAL STUDENTS

85+ nationalities

With <25% of any one nationality in a class, you'll join an international community of people from different cultures ethnicities and backgrounds.

5 hours English per week

Develop your English skills and excel in your subject studies, better preparing you for university study.

Expert teachers

All of our tutors are teachers of English and include published authors and examiners.

Small class sizes

Get individual attention from teachers and practise your English amongst friends.

From teachers who know how to adapt lessons to build confidence in English to houseparents who provide care and concern during your stay, everything we do at our CATS colleges is aimed at helping you succeed and prepare for university study. Unlike traditional boarding schools in the UK, everyone in a CATS class is in the same situation – away from home, needing help to acclimatise, wanting to make new friends and committed to improving their English rapidly. With our small class sizes, tailored teaching, comfortable accommodation and wide range of social and leisure activities, we'll help you settle in quickly and you'll soon be making new friends, well on your way to achieving your academic goals.

“THE SYSTEM AT CATS IS QUITE DIFFERENT. TEACHERS ACCEPT YOU’RE NOT GOING TO BE PERFECT STRAIGHT AWAY; IF YOU’RE STRUGGLING, THERE’S MORE FLEXIBILITY.”

Özge from Turkey progressed to study Economic Studies and Global Sustainable Development at the University of Warwick

A levels A*A*AD

BEST FOR BOARDING

Standard single bedroom

Premium bedroom

30+ activities

Choose from a range of creative, academic, social, sport and leisure activities

On-site medical centres

Managed by trained healthcare professionals

Comfortable living

1,700 rooms in which to live and study

En-suite rooms

A choice of single and shared en-suite rooms

Our campuses offer single and shared bedrooms with en-suite bathrooms in purpose-built accommodation. We know that if you are comfortable and relaxed in your surroundings, you will flourish academically, socially and emotionally. Throughout your time with us, you will be treated as a young adult, allowing you to develop the independence you will need at university. Our houseparents are available 24 hours per day to provide the support and nurturing you need to thrive.

Premium accommodation

You can take advantage of more space to study, relax and socialise with our premium accommodation option. You will benefit from a larger area to live and work; with additional storage space, as well as your own personal welcome pack to make you more comfortable during the first few weeks. Your pack includes essential items, such as extra storage, shoe hanging storage, minifridges, WiFi phone chargers, UK power adaptors, towels, toiletries, bathrobes, throws, and extra cushions.

Mike from South Korea progressed to study Computer Science at University College London (UCL)

A levels A*A*A

A DAY IN THE LIFE

AT CATS COLLEGE

A typical day in the life of a CATS student is full of variety from start to finish – all with the goal of preparing you for life at university.

You'll explore your chosen subjects in greater depth, practise and improve your English speaking and writing skills. There is also plenty of time to pursue existing hobbies, try new activities and develop a range of personal skills, immersing yourself in British life and culture.

Wake up

Live in comfortable en-suite accommodation complete with a desk for private study.

Period 1 | English lesson

Learn the language needed for your chosen subjects and also prepare for an internationally-recognised English qualification.

Break time

Time for a quick refreshment and snack from the Café.

Period 4 | Guest lecture

Learn about a range of subjects from Business and Economics to Science and Medicine from guest lecturers.

Lunch

Our dedicated chefs offer a variety of British and international dishes catering for a range of dietary requirements, including vegetarian, vegan, lactose intolerant and halal.

Break

Young Enterprise Club

Develop teamwork, communication and business skills by starting up and running a business on a budget.

17:30

Breakfast

Choose from a range of cereals, fruit and also a cooked breakfast option in the on-campus canteen.

Period 2 | Science lesson

Explore science through practical experiments in fully-equipped labs.

Period 3 | Tutorial

This is your opportunity to discuss your progress with your Personal Tutor, who will give you advice to help you succeed in your studies.

Period 5 | Business Studies

At CATS College London, business lessons include time in a purpose-built £200K Bloomberg Business Lab – with 15 Bloomberg terminals and access to real-life financial market data.

Period 6 | Higher Education Advice

As well as regular one-to-one tutorials, you receive weekly classes looking at all aspects of applying to university, including interview preparation and creating a top-class personal statement.

Dinner

Dinner services comprise soup, three hot options for your main meal, a selection of accompanying side dishes, salad and a dessert option every day.

Evening activities | Supervised study

Choose from a range of different sporting, creative and leadership activities – from football and yoga to photography and chess. You will also have some time for supervised study.

This timeline illustrates a variety of activities. Your timetable will vary depending on your programme and subject choices. Not all activities will take place in a single day.

BEST FOR UNIVERSITY PREPARATION

Offers from top universities

Over 180 CATS students progressed to Russell Group universities in 2020, including Oxford, University of St Andrews, LSE and Imperial College London.

Oxbridge* application support

Our dedicated Oxbridge support programme provides mock interviews with Oxbridge academics, exam preparation and personal development to make your application stand out.

University advice

Individual support on applying to university – from one-to-one guidance to mock interviews.

Career guidance

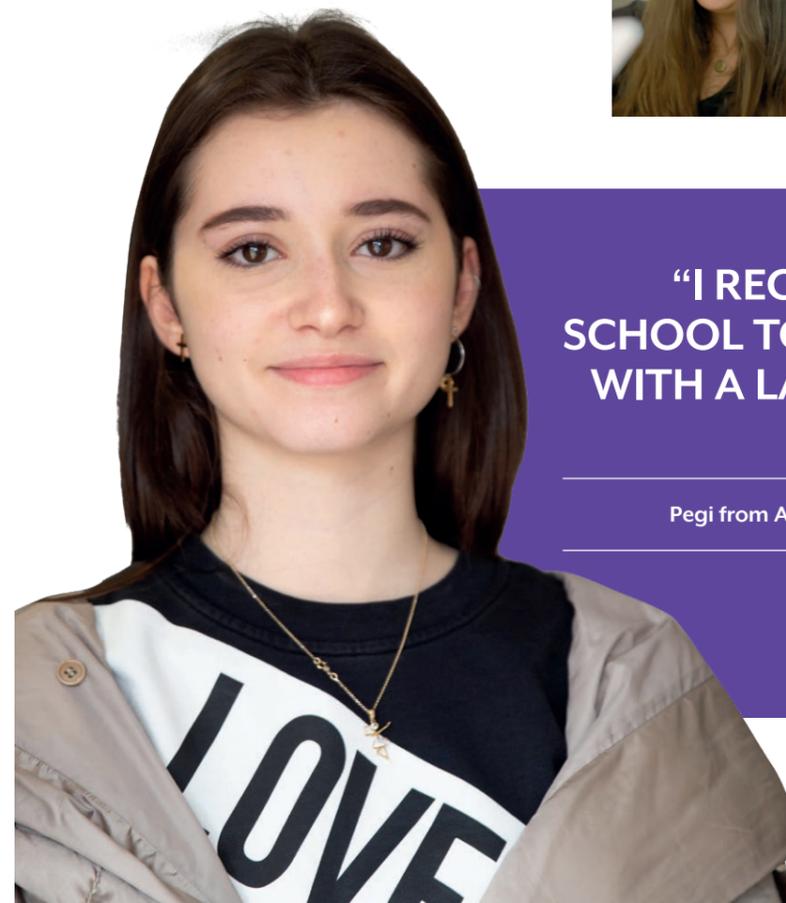

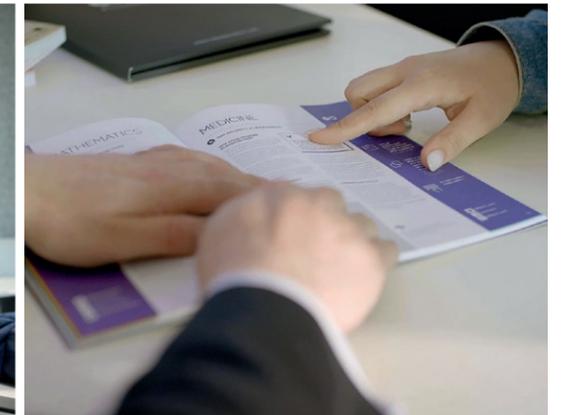

Benefit from career preparation in competitive areas like Medicine and Law through our dedicated Key Professions Programme.

Our goal is to prepare you for university success; whether you would like to study Economics at the London School of Economics and Political Science, University of London (LSE), Medicine at Manchester or Chemical Engineering at Cambridge.

To help you make a successful application to the university that's right for you, you'll visit a range of campuses to get a feel for different universities. You will also receive one-to-one guidance, attend tailored workshops, for example, to help you perfect your personal statement, and receive individual support, such as interview practise.

We also have agreements with over 35 UK universities, including the University of Exeter, University of Bristol, University of Surrey, University of Kent and Royal Holloway, University of London. This gives you the confidence that you can progress to a leading institution upon successfully meeting the entry requirements.

Our exciting CATS Key Professions Programme (see pages 14-27) has been specifically designed to help you get a head start in a competitive career and features a range of extra-curricular activities, including exam preparation, global academic competitions and challenges, visiting speakers, field trips, career research placements and mock interview preparation.

“I RECEIVED SUPPORT FROM THE SCHOOL TO FIND DIFFERENT CAREERS WITH A LAW DEGREE. I FOUND IT ALL REALLY INTERESTING”

Pegi from Albania progressed to study Law at Lancaster University

A levels AAB

PREPARING FOR OXBRIDGE

APPLY TO THE BEST UNIVERSITIES IN THE WORLD

	 Total number of applicants (2019)	 Total number of places (2019)	 Applications per place	 The Times and Sunday Times Ranking 2021	 CATS placements
University of Cambridge	19,359	3,528	5.5	1	11
University of Oxford	c.23,000	c.3,300	7	2	2

In today's highly competitive environment, Britain's top universities of Oxford and Cambridge (collectively referred to as Oxbridge) are seeking academically successful candidates who stand out from the rest and can effectively demonstrate the passion for their subject. Our dedicated Oxbridge support programme offers a range of activities, including mock interviews with Oxbridge academics and preparation for entrance exams, to ensure that you are well-prepared and your application is the best it can be.

“SOMETHING I REALLY ENJOYED ABOUT A LEVELS IS THE AMOUNT OF TIME WE SPEND IN INDEPENDENT STUDY. WE CAN LEARN MORE ABOUT THE SUBJECT”

Sara from Italy progressed to study Chemistry at the University of Oxford

A levels A*A*A*A*

Cambridge

Oxford

Key features

- One-to-one preparation for university interviews, including mock interviews with Oxbridge academics.
- Assistance writing personal statements tailored for Oxbridge.
- Preparation for university entrance exams.
- Seminars and workshops with Admissions Tutors and academic staff on what they look for in an application and how to prepare for interview.
- Oxbridge-focused tuition to ensure offers are achieved.
- Improvement of leadership, critical thinking, motivation and management skills through a variety of challenges and clubs, including the Duke of Edinburgh Award, Olympiad challenges and weekly debating clubs.
- Oxbridge open days and tours.

BE CAREER READY

KEY PROFESSIONS PROGRAMME

Our innovative CATS Key Professions Programme (KPP) offers a range of targeted support, advice, guidance and extra-curricular activities to set you on the path to a successful career. We'll help you research your career, plan your route and develop the skills to achieve it. Choosing the ideal combination of subjects in your academic qualifications is perhaps the most important first step in preparing for university and also your chosen career. That's why we offer discipline-specific guidance, which you can read more about on the following pages.

Available at every CATS college, the Key Professions Programme supplements your academic study and is open to all students.

We offer expert advice for careers in:

- Business (page 16)
- Medicine (page 18)
- Law (page 20)
- Architecture (page 22)
- Engineering (page 24)
- Computer Science (page 26)

We will help you:

RESEARCH your career

If you have a clear idea about the profession you want to enter, we will give you the support you need to prepare for the appropriate degree. Don't worry if you don't have a clear idea; we'll help you discover new interests, develop your strengths and learn new skills.

PLAN your route

Choosing the right combination of subjects is essential to give you the best chance of getting a place on your chosen degree. We'll give you subject guidance and talk to you about the range of degrees on offer so that you can achieve your career ambitions.

DEVELOP your skills

Develop the skills you need to succeed on the Key Professions Programme. It comprises:

- university visits, lectures and application support;
- career preparation;
- personal development opportunities.

A CAREER IN BUSINESS

BE AN ANALYST, ECONOMIST, ENTREPRENEUR

A degree in business can be a stepping stone to a highly successful career in finance, accounting, management or economics. Career opportunities are available across virtually all sectors, which means business graduates are always in high demand across the world.

Develop your skills in:

- Analysis
- Communication
- Numeracy
- Problem-solving
- Teamwork

Gain a competitive advantage

CATS London Bloomberg Business Lab helps you prepare for a career in business.

With 15 Bloomberg Terminals, you can access the same information as leading decision-makers in business, finance and government, giving you highly employable skills.

DEVELOP your skills

RESEARCH your career

Find your dream job through workshops and seminars from the world of business and finance. Join our business clubs and receive one-to-one guidance to help you discover your pathway.

Typical careers:

- Chief Executive
- Economist
- Entrepreneur
- Investment Analyst
- Stockbroker

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Accounting and Finance
- Business and Management
- Economics
- International Business
- Investment and Financial Risk Management
- Marketing and Management

Student success

Name	Nationality	Programme	Destination	Degree	Ranking*

Kawbar	Thai	UFP	University of York	Economics	20
Charlotte	Hong Kong Chinese	UFP	King's College London	International Management	30

PLAN your route

Choose your subjects

Universities usually prefer Mathematics along with Business Studies or Economics. Some like an essay-writing subject, such as History or Psychology.

We offer:

- Business Studies
- Economics
- History
- Mathematics
- Psychology

PROGRESS TO STUDY BUSINESS

Take advantage of guaranteed progression* to the University of Exeter, consistently ranked in the top 15 for business-related degree courses.

*Subject to meeting entry requirements

Applying to university

- Receive one-to-one advice on applying to university.
- Enjoy public lectures at top business schools, such as LSE, UCL and CASS Business School.
- Experience workshops hosted by various universities, such as HULT, Royal Holloway and Surrey University.

Career preparation

- Join the Investment Club to understand the techniques employed by investors to maximise returns through simulated trading projects.
- Participate in the Young Enterprise Club to develop your business skills by learning how to set up and run a business.
- CATS Colleges work in partnership with United World Schools (UWS), giving students the opportunity to work on various entrepreneurial projects that raise funds for and awareness of UWS's mission of building and maintaining educational provision for disadvantaged children in less economically developed countries.
- Attend online seminars hosted by UK-based entrepreneurs.

Personal development

- Learn how to use a Bloomberg Terminal to analyse financial markets in the CATS London Bloomberg Business Lab.
- Take Bloomberg Market Concepts, a 12-hour, self-paced e-learning course that provides an interactive introduction to the financial markets.
- Participate in sector-specific professional activities, such as a workshop by the Institute of Chartered Accountants on commercial awareness.
- Receive continuous support to improve literacy and numeracy skills desirable by universities and future employers.

Develop your skills in:

- Problem-solving
- Communication
- Leadership
- Teamwork
- Adaptability

A CAREER IN MEDICINE

BE A DOCTOR, SURGEON, VETERINARIAN

Working in healthcare is varied, exciting and rewarding. There is a range of career paths, which include being a doctor, a biomedical scientist, a nurse or a psychologist. Whatever profession you choose, CATS Colleges will support you on your journey.

“CATS COLLEGE IS IN TOUCH WITH A LOT OF UNIVERSITIES, SO I WAS ABLE TO TALK TO MANY REPRESENTATIVES”

Ozair from India progressed to study Medicine at the University of Central Lancashire

A levels ABB

RESEARCH your career

Find the area of medicine that you love by speaking with our Higher Education Advisers, as well as attending lectures from leading healthcare researchers and medics while studying.

Typical careers:

- Anaesthetist
- Doctor
- Neurologist
- Psychiatrist
- Radiologist
- Veterinary Scientist

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Biology with Biotechnology
- Biomedical Science
- Medicine
- Pharmacy
- Psychology with Counselling
- Veterinary Science

*The Times and Sunday Times University Ranking 2021

PLAN your route

Choose your subjects

We recommend you take Chemistry and Biology. Mathematics and Physics are a third option or an essay writing subject, like History or Psychology.

We offer:

- Biology
- Chemistry
- History
- Mathematics
- Physics
- Psychology

DEVELOP your skills

Applying to university

- Receive one-to-one advice on applying to university to study medicine.
- Preparation for the BioMedical Admissions Test (BMAT) and the UK Clinical Aptitude Test (UKCAT) – both university entrance tests.
- Visits to medical schools to meet with staff and current undergraduates.
- Be mentored by CATS medicine alumni on the university application process and interview experience.
- Practise Multiple Mini Interviews (MMI), a popular interview method with medical schools.

Career preparation

- Attend healthcare lectures from leading universities, such as Cambridge, Keele, The Royal Veterinary College, St George's, University of London (SGUL), University of East Anglia (UEA).
- Support arranging suitable voluntary experience at hospitals, care homes, farms and biology labs.
- Visits to local hospitals.

Personal development

- Join the Medics Club.
- Participate in a range of leadership activities, such as the Student Council to develop teamwork and communication skills.
- Join the drama or music club to develop your fluency and public speaking skills.

PROGRESS TO STUDY MEDICINE

Take advantage of conditional progression to a degree in Medicine with a guaranteed interview.

A CAREER IN LAW

BE A LAWYER, DIPLOMAT, POLITICIAN

A law degree can lead to a variety of exciting careers and not just in the law profession. There are many areas that require an understanding of law, such as politics or international relations.

Develop your skills in:

- Analysis
- Communication
- Attention to detail
- Problem-solving
- Teamwork

“I’M A BARRISTER TO THE SUPREME COURT OF NIGERIA. THE HARD WORK PAID OFF”

Zara from Nigeria, former CATS A level student, studied Law at the University of Law, Birmingham

RESEARCH your career

Through workshops and seminars find out what steps you need to take for a successful career in law or one of the many other career paths in which a law degree is beneficial.

Typical careers:

- Barrister
- Detective
- Diplomat
- Politician
- Solicitor

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Criminology
- International Relations
- Law
- Law and Business
- Politics
- Psychology

Student success

Name	Nationality	Programme	Destination	Degree	Ranking*
Sung Jae	South Korean	A level	LSE	Philosophy, Politics and Economics	4
Adrian	Guatemalan	UFP	Durham University	Combined Honours in Social Sciences	6
Safae	Moroccan	A level	UCL	Law	8

Obichukwu	Nigerian	A level	University of Nottingham	Law	26

*The Times and Sunday Times University Ranking 2021

PLAN your route

Choose your subjects

Many universities prefer students not to have studied Law, it certainly isn't essential. Mathematics is preferred by many universities in addition to an essay-writing subject.

We offer:

- English Literature
- History
- Mathematics
- Psychology
- Sociology

DEVELOP your skills

Applying to university

- In one-to-one tutorials, receive advice on all aspects of applying to university to study law – from personal statement guidance to mock interview practise.
- Preparation for the Law National Aptitude Test (LNAT) university entrance exam.
- Visit a range of universities ranked highly for law, such as Birmingham, Durham and Bristol.

Career preparation

- Visit a magistrates' court and get an introduction to the British legal system.
- Visit a law practice to learn about the justice system from legal professionals.

Personal development

- Participate in the Citizenship Foundation's Annual Mock Trial Competition to learn how to present fictional legal cases to real judges in a law court, showcasing your verbal reasoning skills.
- Participate in a variety of leadership and debating activities – from the Duke of Edinburgh Award to Olympiad challenges.

PROGRESS TO STUDY LAW

Take advantage of guaranteed progression* to the University of Bristol, consistently ranked one of the top universities in the UK.

*Subject to meeting entry requirements

A CAREER IN ARCHITECTURE

BE AN ARCHITECT, DESIGNER, SURVEYOR

Develop your skills in:

- Problem-solving
- Creative thinking
- Teamwork
- Visualising
- Attention to detail

Architecture is a complex, technical and rewarding discipline if you have a curious, creative and visual mind. Whatever career you choose, CATS Colleges will support you on your journey.

“MATHS AND PHYSICS ARE PREPARING ME INTELLECTUALLY FOR ARCHITECTURE, AND ART IS IMPROVING MY CREATIVITY. COMBINED, THEY’RE THE FUNDAMENTALS I NEED.”

Zainab from Nigeria progressed to study Architecture at the University of Reading

A levels BBC

RESEARCH your career

Discover what it takes to work in architecture through a series of industry-focused workshops and seminars. The creative, visual, technical and design-based skills that you need to develop will open a whole other world of opportunities besides architecture.

Typical careers:

- Architect
- Civil Engineer
- Surveyor
- Urban Planner

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Architecture
- Civil Engineering
- Environmental Planning
- Interior Design

Student success

Name	Nationality	Programme	Destination	Degree	Ranking*
Ajet	Albanian	UFP	Loughborough University	Civil Engineering	7
Tran Anh Thu	Vietnamese	A level	UCL	Architecture	8
Ziyang	Chinese	UFP	University of Bristol	Civil Engineering	13
Timothy	Nigerian	UFP	University of York	Environment, Economics and Ecology	20
Thanaporn	Thai	A level	Swansea University	Materials Science and Engineering	36
Theo	Romanian	Fast-track A level	University of Portsmouth	Architecture	72

*The Times and Sunday Times University Ranking 2021

PLAN your route

Choose your subjects

With Architecture, you can take either an Engineering or Design route. If you choose an Engineering route, you will look at designing processes and making products to solve real-world problems, such as the building of bridges or sustainable homes. Consider a combination of Chemistry, Physics, Mathematics and Psychology.

If you choose an Art route, you will look at the design and function of structures. Your portfolio will be essential as part of your university application process. Our recommendation is Art, Physics and Mathematics.

DEVELOP your skills

Applying to university

- Learn how to create an outstanding portfolio.
- Visit a range of universities ranked highly for architecture and design.

Career preparation

- Participate in a variety of creative activities and clubs – from photography to life drawing.
- Exciting field trips to places like the Museum of Brands, Packaging and Advertising, the Design Museum and The Tate Modern.
- Visit architectural places of interest around the UK, such as the Barbican, the Shard, or the colleges of Oxford and Cambridge.

Personal development

- An annual visit to a European city to discover classical architecture.
- Participate in Young Enterprise to develop your business skills – great for those wanting to pursue a career in product design.

University of Kent

PROGRESS TO STUDY ARCHITECTURE

Take advantage of guaranteed progression* to the University of Kent, which offers one of the top architecture degree courses in the UK.

*Subject to meeting entry requirements

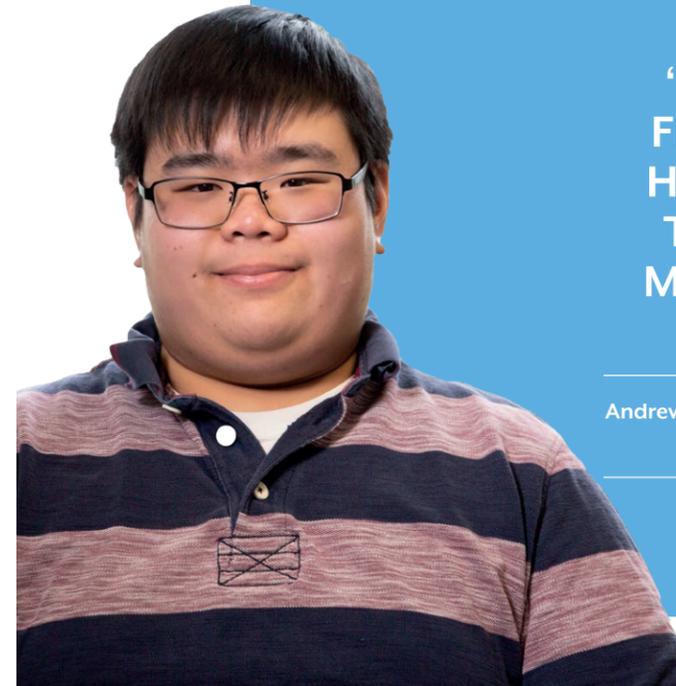

A CAREER IN ENGINEERING

BE AN AI SPECIALIST, DEVELOPER, ENGINEER

Engineering covers many disciplines that touch virtually all aspects of modern life – from construction to car design – which means that Engineers are in high demand around the world.

Develop your skills in:

- Problem-solving
- Numeracy
- Leadership
- Teamwork
- Project planning

“I WANT TO PURSUE A JOB IN THE FIELD OF ENGINEERING. ENGLAND HAS A SIMILAR KIND OF SYLLABUS TO HONG KONG, YET PUTS A LOT MORE RESOURCE INTO RESEARCH AND DEVELOPMENT”

Andrew from China progressed to study Biomedical Systems Engineering at the University of Warwick

University Foundation Programme academic results A*A*A*

RESEARCH your career

From robotics and artificial intelligence (AI) to medical technology and driverless cars, engineering is shaping our future. Find the area of engineering that you love through our lectures, workshops, and seminars.

Typical careers:

- Aerospace Engineer
- Architect
- Biomedical Engineer
- Chemical Engineer
- Civil Engineer
- Mechanical Engineer

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Aerospace Engineering
- Architecture
- Automotive Engineering
- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Engineering Mathematics

Student success

Name	Nationality	Programme	Destination	Degree	Ranking*
Hanwen	Chinese	A level	UCL	Engineering (Electronic and Electrical)	8
Mingyao	Chinese	Fast-track UFP	University of Exeter	Electronic Engineering	12
Minseok	South Korean	A level	University of Bristol	Aerospace Engineering	13

Tricia	Malaysian	A level	King's College London	Biomedical Engineering	30
Alexandre	French	UFP	King's College London	Biomedical Engineering	30
May	Myanmar	UFP	Swansea University	Aerospace Engineering	36

PLAN your route

Choose your subjects

Mathematics and Physics are essential. The third subject depends on what strand of engineering you choose – it could be a science, social science or even a humanity.

We offer:

- Biology
- Chemistry
- Mathematics
- Physics
- Psychology

DEVELOP your skills

Applying to university

- In one-to-one tutorials, receive advice on all aspects of applying to university to study engineering.
- Visit a range of universities ranked highly for engineering, such as the University of Surrey and the University of Bristol.

Career preparation

- Participate in a variety of workshops and seminars to develop your interest.
- Receive exam preparation, depending on your type of engineering course.
- Visit places of interest, such as the University of Cambridge's Department of Engineering.

Personal development

- To develop your knowledge of STEM (Science, Technology, Engineering, Maths) subjects outside of the classroom, participate in STEM, robotics and/or coding clubs and Olympiads and/or Maths Challenge competitions.
- Attend seminars and workshops to discover your passion for engineering.
- Enter Physics and Chemistry Olympiads and Maths Challenge competitions to develop your knowledge.

PROGRESS TO STUDY ENGINEERING

Take advantage of guaranteed progression* to the University of Surrey, one of the top universities for engineering courses in the UK.

*Subject to meeting entry requirements

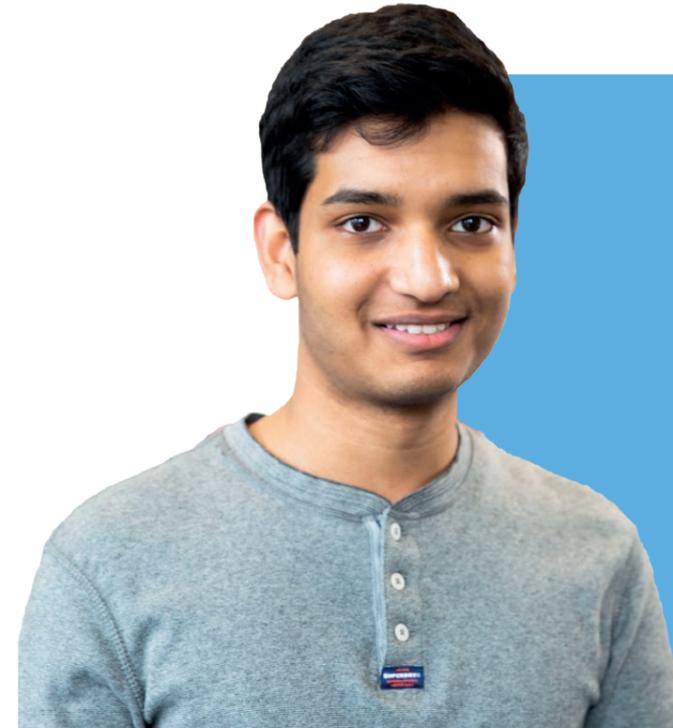

Develop your skills in:

- Problem-solving
- Critical thinking
- Analysis
- Numeracy
- Communication

A CAREER IN COMPUTER SCIENCE

BE A PROGRAMMER, DEVELOPER, ANALYST

Computer technologies are more important than ever in a digital world, this makes a degree in Computer Science an attractive choice. Also, studying Computer Science will give you many technical skills highly valued by employers, from understanding code to programming and problem solving.

“BEING INVOLVED IN ROBOTICS HELPED ME GET EXTRACURRICULAR EXPERIENCE. IT GAVE ME AN OUTLET.”

Vaibhav from Belgium progressed to study Aeronautical Engineering at the University of Glasgow

A levels A*AB

RESEARCH your career

Careers in Computer Science are wide and varied. Attend seminars and workshops with industry experts to discover the area of Computer Science that is right for you.

Typical careers:

- Big Data Engineer
- Blockchain Developer
- Cyber Security Specialist
- Data Security Analyst
- Machine Learning Engineer
- Systems Architect

Our Higher Education Advisers will help you find the perfect degree course for you.

Typical degrees:

- Artificial Intelligence
- Computer Games Programming
- Computer Science
- Cyber Security
- Software Engineering

Student success

Name	Nationality	Programme	Destination	Degree	Ranking*
Kamyar	Iranian	A level	University of St Andrews	Computer Science	3
Tran Gia An	Vietnamese	A level	Loughborough University	Computer Science	7

CAMBRIDGE

A WORLD-CLASS UNIVERSITY CITY

Best in the world
Home to the University of Cambridge, the no. 1 university in the world*

Prize winners
98 Nobel Prizes awarded to affiliates of the University of Cambridge

Great shopping
Voted 1st city in the UK for shopping¹

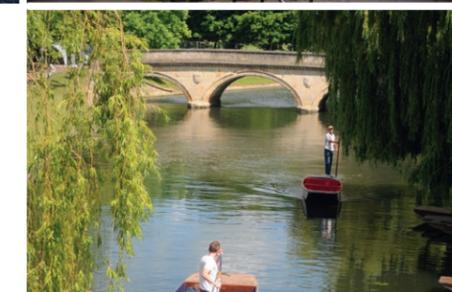

Excellent transport links
Only 50 minutes by train to London

Cambridge is a renowned centre of learning and one of the fastest-growing economies in the UK, home to many global organisations, such as Microsoft Research and AstraZeneca.

You will be inspired by the grandeur of the prestigious 31 University of Cambridge colleges and all the great names who have passed through it, like Sir Charles Darwin or Sir Isaac Newton. Modern Cambridge is inspiring too with lots to see and do – from live music and theatre, to festivals and academic events.

Cambridge is a well-connected city. You can be in the centre of London in just 50 minutes on the train and London Stansted Airport is a short 30-minute car journey away.

“WE LEARN DISCIPLINE AND SELF-CONTROL. IT’S A BIG STEP BUT EVERYONE DOES IT TOGETHER.”

Zhangir from Kazakhstan progressed to study Business and Management at the University of Exeter

SMALL CITY, BIG HISTORY

Cultural hotspot
Home to three UNESCO World Heritage Sites

A student city
Home to three universities with over 30,000 students

Medieval England
Explore the city that inspired 'Canterbury Tales'

Excellent transport links
Only 50 minutes by train to London

Canterbury is one of the most visited cities in the UK and welcomes students from around the world to its three universities.

It is a cathedral city and now a UNESCO World Heritage site. Whilst the city has lots of history, it also boasts lots of entertainment and culture – music venues, theatres, shopping centres, museums, cinemas, sports and more.

Outside of Canterbury, you can explore bustling seaside resorts and the beautiful English countryside. And if you need a dose of the big city, London is only 50 minutes away by train.

“BEING AROUND SO MANY DIFFERENT CULTURES MAKES LEARNING MORE FUN. I THINK THAT’S WHAT CATS IS ALL ABOUT”

Twin sisters Elli and Nikoleta from Greece who both progressed to London School of Economics and Political Science (LSE)

have studied or worked in London

Top universities

Home to four of the world's top 40 universities

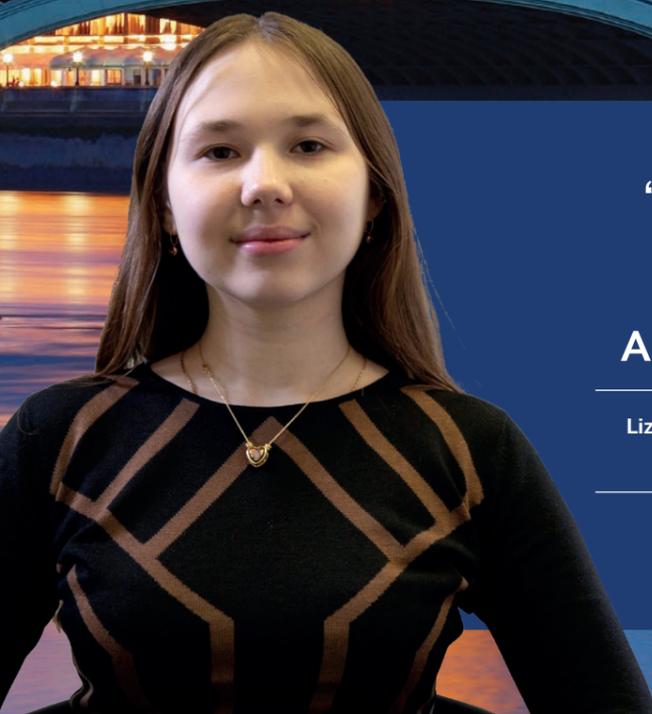

Attracting talent

£500 million of research income attracts top talent

London is like no other city in the world. It is a vibrant, inspiring and cosmopolitan metropolis offering an unparalleled choice of culture and history, entertainment and shopping.

There are fascinating monuments, museums and attractions at every turn, that cater for all tastes and ages. If you want culture, then the West End theatres and world-renowned music venues are unrivalled. Or perhaps you want to explore the picturesque parks or visit the shops that make London such a global shopping destination.

The CATS London campus is in the centre of the exclusive Bloomsbury area – the heart of academic London. It is close to the prestigious University of London colleges, as well as many cultural institutions, such as the iconic British Museum.

16 Years	17 Years	18 Years
Year 12	Year 13	Higher Education
A level (2 years) A higher level qualification recognised by universities around the world. Choose 3+ subjects to focus on over the two-year programme. Page 58	Fast-track A level For high achievers who can manage an intense and rigorous study programme, choose our one year A level programme. Page 58	Progress to top universities You will receive one-to-one impartial guidance on applying to the best university for you. We also have guaranteed progression agreements with over 35 UK universities to give you the confidence that you can progress to a leading institution upon successfully meeting the entry requirements. When you apply to CATS you will receive conditional offers from:
International Baccalaureate (2 years) A higher level qualification that challenges, encourages and inspires you to become a caring and critical thinker, ready for university study. Page 60	University Foundation Programme A programme designed for international students to bridge high school in their own country to university in the UK. Choose 3+ subjects to focus on. Page 62	

GCSE PREPARATION

BE READY FOR ACADEMIC SUCCESS

Who is this programme for?

GCSE Preparation will help you develop the academic skills needed to excel in the next stage of your education at CATS, whether that be a GCSE or Pre-programme course.

Over the course of the year, you will study a range of subjects encouraging you to explore your academic potential and discover where your interests lie. Alongside your specialist subjects, you will receive intensive English tuition to develop the level you need to move to the next programme of study.

What will you achieve?

You will:

- take the Key English Test (KET) or Preliminary English Test (PET) Cambridge English exam at the end of the course;
- be able to progress to study at a higher level such as GCSEs in a range of subjects;
- have learned about a range of subjects in English;
- have developed essential study skills: listening, note-taking, essay and report writing;
- have developed essential life skills: e.g. time management, confidence, independence.

Key features

- Study a range of subjects in English, including Sciences, Humanities and Business.
- Receive intensive English tuition. Our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Prepare for a Cambridge English qualification.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips that will give you the edge when it comes to applying to university.
- Receive a range of homework tasks.
- Receive regular one-to-one coaching on future study pathways.

GCSE

EXPLORING YOUR INTERESTS

Who is this programme for?

GCSE is a qualification in a specific subject to enable progression to a pre-university programme such as A level or International Baccalaureate Programme.

The CATS College GCSE programme is designed for international students. Classes are taught by subject specialists who are trained in how to teach students who have English as a second language. The course encourages you to explore your academic potential and since it is a broad programme it will give you a chance to investigate where your interests lie.

What will you achieve?

You will:

- achieve GCSE qualifications in a range of subjects;
- have improved subject knowledge and English fluency and proficiency ready for entry onto your chosen university preparation programme;
- have the study skills required to excel in your chosen university preparation programme;
- have essential life skills such as time management, confidence, collaboration and independence.

Key features

- Get exposure to the style of assessment and teaching in the UK and focus on developing your study skills, independence and confidence.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips so you can have fun, stay fit and develop life skills.
- Receive a range of homework tasks.

“THE MAIN THING THAT MAKES CATS COLLEGE DIFFERENT IS THE SMALL GROUP SIZES, WHICH PROVED TO BE EXTREMELY BENEFICIAL. IT CREATES A VERY DYNAMIC LEARNING ENVIRONMENT. THIS AND THE HIGH QUALITY TEACHERS SIGNIFICANTLY EASED MY JOURNEY TO A TOP UNIVERSITY.”

Milos from Serbia originally studied GCSEs, Pre-programme and A levels at CATS College Cambridge before obtaining a first class honours degree in Mathematics and Statistics from the University of Warwick. He currently works as a Quantitative Researcher (Quant) at a hedge fund.

PRE-PROGRAMME

PREPARING YOU FOR ADVANCED STUDY

Who is this programme for?

This programme will give you the basic skills and knowledge needed to start a university preparation programme – A level, International Baccalaureate Diploma or University Foundation Programme. You will also get an introduction to the UK teaching approach.

Within the Pre-programme, there may be an opportunity to take external examinations in English and Maths. This will be discussed during academic counselling, so that we can create your personalised study plan.

What will you achieve?

You will:

- improve the depth and breadth of your subject knowledge ready for entry onto your chosen university preparation programme;
- increase your proficiency and fluency (how well you can communicate) in English to help you achieve greater academic success;
- have the study skills required to excel in your university preparation and subsequent degree programme;
- acquire essential life skills, such as time management, confidence, collaboration and independence.

Key features

- Study a minimum of seven academic subjects, including Maths, English, Biology, Chemistry and Physics.
- Receive intensive English tuition: our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports, and trips so you can have fun, stay fit and develop life skills.
- Receive a range of homework tasks.
- Receive regular one-to-one coaching on future study pathways.

“YOU CAN FOCUS ON SUBJECTS THAT YOU WANT TO STUDY. I CHOSE MY SUBJECTS BUSINESS, ECONOMICS AND SOCIOLOGY, SO I CAN PREPARE FOR UNIVERSITY BETTER”

Molly from Kazakhstan studied the Pre-programme at CATS Canterbury and the University Foundation Programme at CATS London before progressing to study Fashion Merchandising at the University of the Arts London

A levels A*AA

A LEVEL

THE CLASSIC ROUTE

Who is this programme for?

A level is a higher level qualification in a specific subject that can lead to university, further study, training or work. It is a traditional UK qualification offering the widest choice of universities.

It is a highly focussed programme of study with a minimum of three subjects studied, usually over two years, with examinations in the second year. However, we also offer a fast-track option. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

The CATS College A level programme is designed for international students with additional English language support to help you excel in your studies.

What will you achieve?

You will:

- be able to progress to an international university;
- possess desirable study skills, such as critical thinking, essay/report writing and solution-based thinking;
- have developed life skills, such as independence, confidence and good communication – all essential for university and your future career.

Key features

- Choose from a wide choice of subjects, including Sciences, Humanities and the Arts.
- Prepare for an English qualification recognised by international universities.
- Get exposure to the style of assessment and teaching in the UK and focus on developing your study skills, independence and confidence.
- Complete challenging research and homework tasks.

INTERNATIONAL BACCALAUREATE

A GLOBAL PERSPECTIVE

Who is this programme for?

The International Baccalaureate Diploma, known as the IB, is a qualification that challenges, encourages and inspires you to become a caring, critical thinker, ready for university study and a globally-focused career.

What will you achieve?

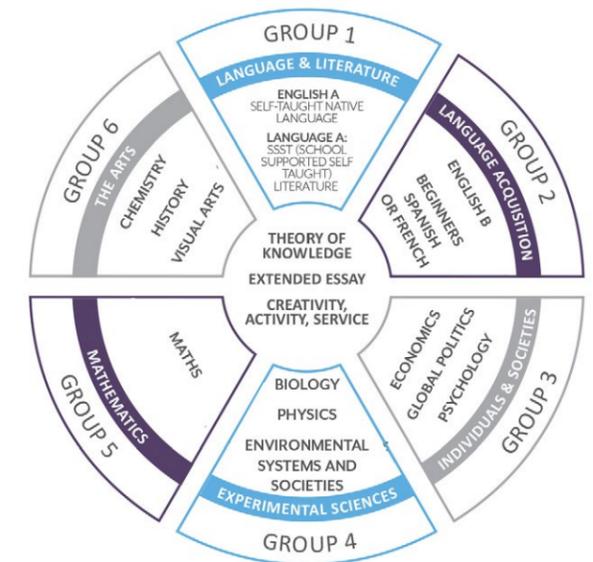

You will:

- be able to progress to an international university;
- possess desirable study skills, such as critical thinking, independent research and real-world context;
- gain life skills, such as independence, confidence and good communication – all essential for university and your future career.

Key features

- Study six subjects – Language and Literature, Language Acquisition, Individuals and Societies, Experimental Sciences, Mathematics and the Arts.
- The **Theory of Knowledge** asks you to reflect on the nature of knowledge and on how we know what we claim to know. It is assessed through an oral presentation and a 1,600-word essay.
- An **extended essay** prepares you for the study skills required at university.
- **Creativity, Activity, Service** comprises: arts and other experiences that involve creative thinking; physical exertion contributing to a healthy lifestyle, which improves and complements your academic studies; and an unpaid and voluntary exchange that has a learning benefit.

Lea from Germany progressed to study Business Economics at the University of Leeds

International Baccalaureate Grade 36

UNIVERSITY FOUNDATION PROGRAMME

BRIDGING THE GAP

Who is this programme for?

This University Foundation Programme (UFP) acts as a bridge from students' high school education in their own country to university in the UK.

It recognises the specific academic challenges that you face and uses assessment strategies that offer the best opportunities to demonstrate your academic level and potential.

In addition to developing your English skills, you will choose three subjects, with exams at the end of the course. There is also a significant amount of coursework which contributes to your final grade. Choosing your subject combination is important as universities look for students that have good grades in the right subjects. We work with you to choose the best combination to help achieve your university and career aspirations.

What will you achieve?

You will:

- have an accredited qualification accepted by 90 of the 100 top UK universities;
- have developed as an independent learner;
- have improved your English language fluency and proficiency;
- have the foundation needed for undergraduate study in your chosen subject.

- Improve your English for university entry and develop your fluency and proficiency to give you the competitive edge in your university application.
- Prepare for an English qualification recognised by international universities.
- Join a variety of clubs and after-school programmes with a focus on key professions, such as law, medicine and engineering, to develop your skills to boost your personal statement for university.
- Experience life at an international school with access to a broad range of extra-curricular activities, sports and trips that will give you the edge when it comes to applying to university.
- Develop skills needed to succeed at university with a focus on improving your capacity to learn with confidence and independence.

HIGH SCHOOL TERM

STUDY EXPERIENCE OF A LIFETIME

Who is this programme for?

This programme gives you an insight into British education and complements your studies in your home country. You will be enrolled in classes depending on your age and English level. You will take classes which complement your current studies and receive a notarised report showing your progress and achievements. This is ideal if you are looking for an international experience without disrupting your academic studies at home.

What will you achieve?

You will:

- study with peers from over 70 countries and gain a global perspective;
- experience studying in the British education system;
- enjoy a range of activities and trips around the UK;
- improve your English language skills;
- become a more confident learner;
- earn study credits in your home country.

Quick facts

Age	14+
Academic entry requirements	A good school report
Language level requirements	IELTS 4.0+
Courses	Pre-programme A level International Baccalaureate* University Foundation Programme
Course duration	Cambridge 1, 2 or 3 terms
	Canterbury 1, 2 or 3 terms
	London 1, 2 or 3 terms

*Offered in Canterbury only

“I CAME HERE FOR ONE TERM AND DECIDED TO STAY. I’VE BEEN TO GREECE AND CAMBODIA WITH THE SCHOOL”

Vitoria from Brazil progressed to study History of Art at the Courtauld Institute of Art, London

ACADEMIC ENGLISH PROGRAMME

BOOST YOUR ENGLISH

Who is this programme for?

Our Academic English Programme will help you develop your English skills to excel in your chosen CATS academic programme – A level, International Baccalaureate Diploma or University Foundation Programme. For students aged 14-16, Academic English is delivered as part of our GCSE and Pre-programme courses. The course is designed to be taken before a CATS academic programme.

Key features

- Receive intensive English tuition in preparation for your studies: our integrated classes cover reading, writing, speaking, listening, grammar and vocabulary.
- Get an introduction to the vocabulary required for your chosen programme.
- Learn about the following subjects in English: Maths; Business; History; and the Sciences.
- Focus on improving your accuracy (how correct your English is) and fluency (how well you can communicate).
- Prepare for IELTS to be able to take the government-approved IELTS for UK Visas and Immigration (UKVI), which is necessary for all visa applications.

Quick facts

Age	16+
Academic entry requirements	A school report that identifies English needs that can be met by this course and describes a student who is willing to learn and develop
Language level requirements	IELTS 3.5+
Average class size	8
Hours per week	27
Course duration	Cambridge 1, 2 or 3 terms
	Canterbury 1, 2 or 3 terms
	London 1, 2 or 3 terms

SUMMER PROGRAMMES

Join a two or three-week CATS College summer programme to develop your knowledge of specific subjects, universities, and careers, whilst gaining an insight into the British education system and an understanding of applying to UK universities.

14-17

For students aged 14-17 years

IELTS 4.0+

For students with English language level of IELTS 4.0+

UK culture

For students wanting to learn and experience UK culture

All programmes combine:

- Interactive workshops and activities led by experts in the field.
- Inspiring talks and lectures that will give you an advantage in your university application.
- Trips around the UK to inspire you and inform university applications.
- A range of activities to help you relax and make friends.

Choose from:

- Science, Technology, Engineering and Mathematics (STEM) Programme.
- STEM and English for Science Programme.
- Bloomberg Business Advantage.
- Careers in Medicine.
- Oxbridge Preparation Programme.
- Model United Nations Programme (New for 2021).
- Academic Explorer (New for 2021).

APPLYING TO CATS

Online

Visit [catseducation.com/apply](https://www.catseducation.com/apply) and follow the application instructions on the online form. Applying online provides immediate confirmation that we have received your application, instant upload of documents and a response from our Admissions Team within two working days – we recommend this option for the fastest application.

Information in this brochure is correct at the time of print in October 2020. CATS reserves the right to alter, reschedule or close courses which do not remain viable; students will be informed.

APPLICATION FORM

2021-22

You can apply to CATS online at www.catseducation.com/apply or by scanning and sending this application form to admissions@catseducation.com

SUBJECTS — A LEVEL AND UNIVERSITY FOUNDATION PROGRAMME ONLY

We would be delighted to arrange a counselling interview for you if you wish to discuss your choices. Subject choices are an indication only at this stage; they may be revised at any time up to the end of the induction week at CATS.

Subject 1:

Subject 2:

Subject 3:

Subject 4: (Students wishing to take more than three subjects will be referred for academic counselling and further fees for additional subjects may apply).

ACCOMMODATION PREFERENCE

College room allocation is based on availability at the time we receive your deposit; all room types are allocated on a first-come, first-served basis. Final allocation is confirmed shortly before the start of the term. Students under 18 years of age are expected to live in CATS accommodation if they are not living with their parents. If they wish to live elsewhere, a written request must be submitted to the CATS Principal for approval. Younger students will be allocated a shared room unless otherwise requested.

Do you require CATS accommodation? Please ✓

Yes

No

If yes, please choose one of the below options, ✓ to indicate your preference. If no, we will send you an Independent Accommodation Request form for completion.

Room type	CAMBRIDGE	CANTERBURY	LONDON
Single, en-suite, catered	<input type="checkbox"/> Standard <input type="checkbox"/> Premium <input type="checkbox"/> Premium (Elizabeth House)	<input type="checkbox"/> Standard <input type="checkbox"/> Premium	<input type="checkbox"/> Standard (16+ only) <input type="checkbox"/> Premium (16+ only)

MEDICAL AND WELFARE INFORMATION

All fields in this section **MUST** be completed. CATS will conduct a needs analysis with you to determine any support that may be required to ensure that your personal needs can be met wherever possible. However, failure to disclose a specific requirement may result in us not being able to meet your needs. Please ✓ to indicate below:

Do you have a disability, learning difficulties or special needs? Yes No
If yes, please specify:

Do you have any allergies? Yes No
If yes, please specify:

Do you take any medication? Yes No
If yes, please specify:

Do you have any dietary requirements? Yes No
If yes, please specify:

I consent to CATS processing my/the student's medical and welfare information provided as part of this application. If you are completing and signing as an Agent on behalf of the student, we will assume (unless you tell us otherwise) that you have full authority and consent from the student to sign on their behalf.

Signature of the student:	Print name:	Date:
Signature of parent/legal guardian:	Print name:	Date:

You have the right to withdraw your consent at any time by emailing the CATS data protection officer on DPO@catscollege.com. For further information on how CATS processes your personal data please see our Privacy Policy at www.catseducation.com/privacy.htm

INSURANCE

CATS students are required to have an adequate insurance policy upon their arrival at the College. Please ✓ to indicate if you would like to purchase our Student Cover insurance:

Yes No

Our comprehensive student insurance cover is created in partnership with Endsleigh Insurance Services; you can find further details online at www.catseducation.com/insurance

Please scan and send a copy of your insurance cover policy before your arrival at CATS.

DECLARATION AND SIGNATURE

- I am a student, or their parent or legal guardian (if the student is under 18 years of age), or have the full and express authority and consent of the student to submit this application on their behalf.
- I confirm that all information provided in this application form and any other supporting admissions materials is factually true and honestly declared.
- I understand that submission of this application form to CATS does not constitute a contract.
