UFP SUCCESSES & PROGRESSIONS 2020

Director of CATS UFP Jonathan Hawkins is delighted that so many students have achieved outstanding results and been able to make their dreams of attending a top UK university come true:

“Putting all assessments for CATS UFP online involved our chief examiners working rigorously with our external examiners and university partners to ensure that high standards were maintained. The results bear witness to the high quality of pastoral care offered by CATS that meant that, even when dispersed, students remained motivated and able to learn and take assessments.”

“THE SCHOOL PROVIDES YOU WITH A QUIET ENVIRONMENT, DURING WHICH I FIND MYSELF ABLE TO ACCOMPLISH A LOT. I WANT TO PURSUE A JOB IN THE FIELD OF ENGINEERING. ENGLAND HAS A SIMILAR KIND OF SYLLABUS TO HONG KONG, YET PUTS A LOT MORE RESOURCE INTO RESEARCH AND DEVELOPMENT.”
