A DAY IN THE LIFE

AT CATS COLLEGE

A typical day in the life of a CATS student is full of variety from start to finish – all with the goal of preparing you for life at university.

You spend time exploring your chosen subjects and improving your English. There is also time to pursue the things you love, try new activities and develop a range of skills - all whilst immersed in British life and culture.

Wake up

Live in comfortable en-suite accommodation complete with a desk for private study.

Period 1 | English lesson

Learn the language needed for your chosen subjects and also prepare for an internationally-recognised English qualification.

Break time

Time for a quick refreshment from the canteen or a snack from the cafeteria.

Period 4 | Guest lecture

Learn about a range of subjects from business and law to science and medicine from guest lecturers.

Lunch

Our dedicated chefs offer a variety of international dishes catering for a range of dietary requirements including vegetarian, lactose intolerant and halal.

Break

Young Enterprise Club

Develop teamwork, communication and business skills by starting up and running a business on a budget.

Breakfast

Choose from a range of cereals, fruit and also a cooked breakfast in the on-campus canteen.

Period 2 | Science lesson

Explore science through practical experiments in fully-equipped labs.

Period 3 | Tutorial

This is your opportunity to discuss your progress with your personal tutor, who will give you advice to help you succeed in your studies.

Period 5 | Business Studies

At CATS College London, business lessons take place in a purpose-built Bloomberg Business Lab – the first lab in a secondary school in Europe.

Period 6 | Higher Education Advice

As well as regular one-to-one tutorials, you receive weekly classes looking at all aspects of applying to university including interview preparation and creating a top-class personal statement.

Dinner

Evening activities

Choose from a range of different sporting, creative and leadership activities from football and yoga to photography and chess. You will also have some time for supervised study.

This timeline illustrates a variety of activities. Your timetable will vary depending on your programme and subject choices. Not all activities will take place in a single day.
