Year in Review

Academic year 2016-2017 has been a busy and successful one for CATS London. The college has hosted visiting students, teachers, and parents, and seen one of the best cohorts of students walk through its' doors. Students have had the opportunity over the year to take part in the largest variety of sports and activities ever provided by CATS London, including popular new clubs such as cross-stitch, and singing, as well as the always competitive football team. There have been countless trips and excursions including tours to Barcelona, Frankfurt, and Boston, as well as residential trips to Flatford Mill and Grosvenor House in Kent. Aside from all of the fun, students have worked incredibly hard this year, demonstrated in their results. Thank you to everyone who has helped make this year such a happy, healthy, and successful one. Congratulations to all students graduating and moving on, and for those returning in September, we look forward to welcoming you back.

Business students after a revision workshop

Visiting galleries in Barcelona

Science Olympiad competitors

Students attending an Oxford University revision session

Visit to the Victoria Miro Gallery

Mini golf during half term break

Principal Mario Di Clemente and CIFE award winner Marwah

Final art and photography exhibition

Students v Staff Football Match

Friday 12th of May was the annual staff versus students football match featuring the best of CATS London, ending in a 5-4 win for the students. There was a high level of enthusiasm, dedication, and team spirit shown from all involved. Thanks to everyone who took part, and came to support.

Leavers Afternoon Tea

On Thursday 15th of June it came time to say farewell to the A Level and Fast track students who would be finishing their exams over the next two weeks. A High Tea was organised for students and staff to enjoy, and there were speeches from the Principal and Programme Director Ben Dolbear. We all wish the students the best of luck with their results, and hope that they will come back and visit when in London.

Kingswood - Activities Week

For four days from May 30th to June 2nd, sixteen Pre: Programme students travelled to Kent for an activity holiday. At Grosvenor Hall - Kingswood the students took part in team-building activities, sports, challenges, and spent time relaxing after their exams. Students said the trip really helped with self-esteem and having a go at new activities they wouldn't normally have a chance to try.

UFP Graduation

Congratulations to our University Foundation Programme students on their results and on graduating from CATS London on a gloriously sunny afternoon on June 14th. Our Graduation Ceremony at nearby Bloomsbury House was a wonderful occasion and greatly enjoyed by all. With speeches from Principal Mario Di Clemente, Programme Director Marlon Michelo, UFP student leader Maksim Dirgela, and musical performances from Jerry, Annie, and Lily, the ceremony was a great celebration of all the hard work put in by students, teachers, and staff over the last year. With 10 students achieving two or three A*-to- A grades and around a third getting A*-to-B there was certainly plenty for us all to celebrate. Thank you also to our UFP Programme Director, Marlon Michelo, for his terrific leadership of the group this year, and to Jonathan Hawkins, Director of CATS UFP, for joining us to present our students with their certificates.
