Karthik Nagesan Workshop

On Monday 6th February, CATS College London offered an exciting opportunity to all of our Business and Economics A-level students.

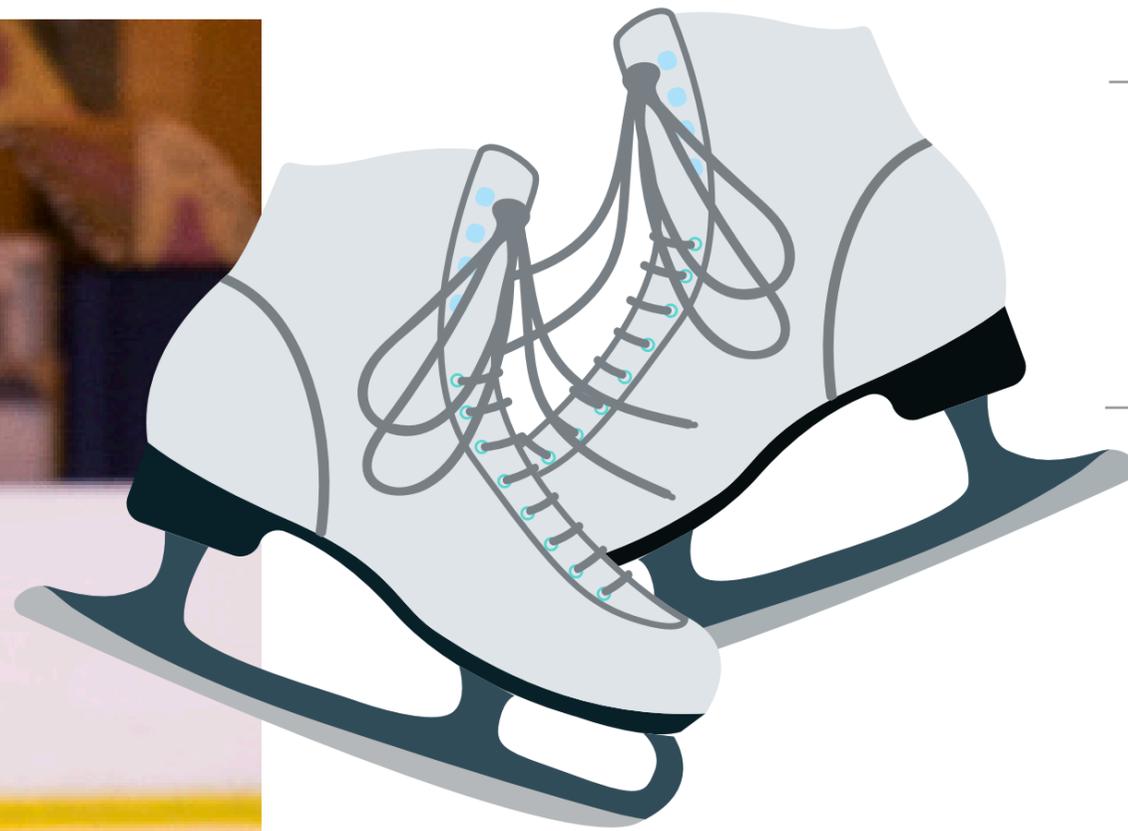

Karthik Nagesan, a contestant on The Apprentice 2016, visited the school, guest hosting an exclusive workshop. He spoke about his education history, his business background and his experience on the TV show. Karthik went on to explore the importance of social media, viral marketing and branding, amplifying our student's learning. Our students then engaged in a lively Q&A session, satisfying their hunger for further advice and guidance from Karthik.

Overall, the students had an unforgettable experience, and inspirational session from the charismatic entrepreneur.

Half Term Activities

Half term was a busy week of fun activities for students to enjoy while off from college.

Students travelled around London to take part in bowling, crazy golf, trampolining, and even ice skating- feedback was great from students who really enjoyed a fun and relaxing break, making sure they are refreshed and ready to start the new half term.

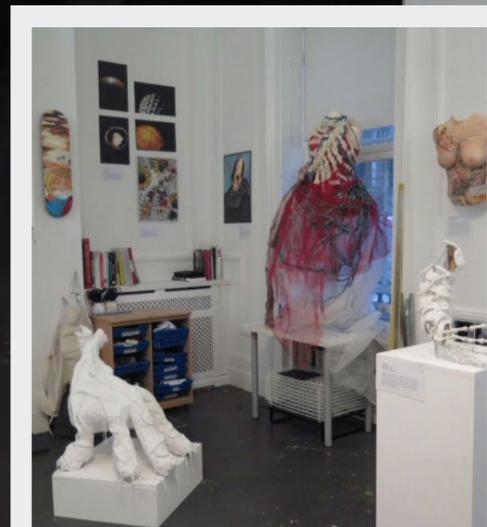

Art and Photography Show

On Wednesday 22nd February, the Art and Photography department held an Art exhibition showcasing work by AS, A2, Fast Track and Pre-Programme students.

There was a range of sculpture, photography, mixed media and two dimensional work. It was a great opportunity to show off how talented our students are. It was also a chance for students to consider their work as a finished piece and to see the impact their creativity can have.

The exhibition was well attended by students and staff alike. Thank you to everyone involved!

Flamenca Gala

On Thursday 23rd of February, the Art and Photography department organized a trip to Sadler's Wells Theatre to see a performance of Gala Flamenca, one of the highlights of the Flamenco Festival London 2017.

Students got to see dances performed by stars of the flamenco scene including Juana Amaya, Olga Pericet, Jesús Carmona, and Patricia Guerrero. Everybody had a fantastic evening- thank you again to all who came.

Updates on activities
