

VISITING SPEAKERS POLICY

With Covid-19 addendum

Date of Policy	August 2021
Approved by Principal	September 2021
Next Review Date	September 2022
Lead for Review	Vice Principal

Aim

CATS College Canterbury recognises the value that external speakers bring to the College and its students, and seeks to encourage the provision of enrichment to learners and staff through exposure to high quality visiting speakers and organisations, as well as meeting our statutory obligations of the Prevent Duty Guidance published in July 2015.

The College confirms its commitment to freedom of speech in the College, but this policy seeks to reduce the likelihood that visiting speakers or organisations might seek to promote extremist views or attempt to radicalise students and staff.

The college is committed to ensuring a balance of differing views is achieved across time from our visiting speaker schedule. A record of the speakers and their message is kept and reviewed on a termly basis by the Vice Principal.

Definitions

Prevent is the government's strategy to stop people becoming involved in violent extremism or supporting terrorism, in all its forms.

Extremism is defined by the UK government as 'Vocal or active opposition to fundamental British values and calls for the death of members of our armed forces, whether in this country or overseas'.

Procedure

This policy applies to all guest speakers visiting the College whether the visit has been arranged by a member of staff or students.

Organisers of a visiting speaker or event should, in advance of the event, complete the checklist which includes consideration of the speaker(s) and content of any presentation and the potential audience to whom it is intended to be delivered. The checklist is available in **Appendix 1**.

Visiting Speakers must have due diligence checks conducted to ensure that the material they are speaking on fits the remit of the College and does not lead to students being at risk of being drawn into terrorism or terrorist ideology.

Where a speaker or organisation requests to come to the College to speak to students and / or staff, the member of staff who is contacted, or the member of staff who leads the event, should complete **Appendix 1**.

The checklist should be discussed with the organiser's line manager prior to confirmation of the visiting speaker. If the line manager has concerns about the speaker's content, or any other aspect of the event, s/he should discuss concerns with the College's the Designated Safeguarding Lead.

The checklist should be completed and submitted for authorisation at least 5 working days before the proposed event.

Copies of the checklist should be held by the organiser's line manager, and a copy lodged at the College Reception in advance of the event.

Where any visiting speakers or organisations address students, the organiser must ensure that the College has at least one member of staff, who has received Safeguarding and Prevent training, present at the event, to ensure that any extremist views presented at the event can be challenged.

The speaker must be accompanied at all times and not be left alone with students and to have completed the sign in and out procedures”.
